

## Beam:

### ❖ **Parallel Flange Beam (I-Beam):**

IPE according to equivalent to following standards:

- Dimension as per DIN 1025-5
- Technical specification as per EN 10025-2
- Permissible variation as per DIN EN 10034

### ❖ **Wide Parallel Flange Beam (H-Beam) :**

IPB according to equivalent to following standards:

- Dimension as per DIN 1025-2
- Technical specification as per EN 10025-2
- Permissible variation as per DIN EN 10034
